What is PY/PM?

PY/PM is Protecting You/Protecting Me — created by Mothers Against Drunk Driving (MADD) to teach young people about how to keep their brains safe by making good choices around alcohol, drugs and other things.

We want to create teams of high school students who will learn the lessons and teach them to fifth graders at all of the elementary schools in Anacortes. After all, who better to talk to young people than other young people who know what it's like in middle and high school, right?

So if you are a Rock Star Mentor, want to be a teacher or want to learn how to be a Rock Star Mentor and a teacher.
