Dear AHS Instructors & Staff,

It is time again for AHS PTSA to offer Student Academic Enrichment Grants (SAEG). These grants go to staff, students or community members that have special projects that need some extra funding. We have \$2000 in our budget for this purpose.

Previously, we have funded things such as resources (books/DVDs) for studying American Culture in classrooms, equipment for AHS Broadcast Club, prizes for the library's Bookapalooza, and calculators for chemistry classes. Possibilities are only limited by our lack of imagination.

If you have a project for which you are looking for extra funding please fill out the attached request form and return it to me by Friday, January 12, 2018. The committee will be reviewing applications and have funding decisions made by early February. **Final distribution of funds must be completed by the end of April, 2018.**

Completed Request Forms should be put in the SAEG folder in the PTSA mailbox in the staff room.

p.s: Thank you to all our AHS PTSA members and contributors who through their dedication of time and financial support make this amazing offer possible year after year!
