ASB PRESIDENT'S WELCOME

Welcome Seahawks to the 2017-2018 school year!

As your ASB President, I would like to welcome back all our returning students and extend a warm and heartfelt welcome to all of our new students!

This year, I encourage everyone to make it a goal of ours to treat everyone in our Seahawk family with kindness, compassion and respect. If we come together as one school and one family, then there is nothing stopping us from having a successful, supportive and positive environment for all. This year, focus on "WE", and less on "ME". Get involved, learn and have fun!

All of your ASB Officers are here for each and everyone of you. Please don't hesitate to talk to one of us if you have an idea, a question or a concern. WE are here to work for you!

Have a safe and successful school year!
Go Seahawks!

Sincerely your ASB President,
Michael Mantell

PRINCIPAL'S WELCOME

Welcome Seahawks to the 2017-18 school year! The staff at Anacortes High School is excited about the year ahead and we are looking forward to assisting you in making this year a memorable one. Your educational experience and preparation are our number one priority. This handbook will familiarize you with the rules, policies, and expectations that govern Anacortes High School. Please take a few moments to review the information with your parents and approach a staff member should you have any questions with the contents. It is very important that you have a clear understanding of our policies and procedures.

Our mission at AHS is to prepare **All Students** to be **College & Career Ready** upon graduation. As we assist you in planning your courses and activities, we ask that you reflect upon three guiding questions: Who am I? Where am I going? and How am I going to get there? In other words, what courses, activities and experiences will help prepare you for life after high school? Anacortes High School offers a large number of activities and opportunities – something for everyone; you are encouraged to get involved. Part of being **College & Career Ready** is the ability to consistently exhibit respectful and responsible behaviors - these are my expectations of each of you. We are excited about having you at Anacortes High School and look forward to assisting you in achieving your goals, creating opportunities to work collaboratively with peers and staff, and having some fun along the way. Have a great year, be kind to others, be a positive influence, and never forget that you represent Anacortes High School Seahawks!

In Seahawk Pride!

Principal Ronngren

GENERAL INFORMATION

BULLETIN BOARDS/POSTERS

BUS SERVICE

Students violating standards of conduct for riding buses or to and from bus stops will face disciplinary action and may be denied access to bus services. Questions about the transportation system often can be best answered by calling 293-1223. Once a student leaves the high school campus, this includes across the street, he/she forfeits the privilege of riding the bus home after school.

CHANGE OF ADDRESS/CONTACT INFORMATION

It is the parent/guardian's responsibility to notify AHS of a change in address or contact information. We would like to have e-mail addresses for parents whenever possible.

CLOSED CAMPUS

Anacortes High School is a closed campus. Non-students are not allowed on campus without administrative approval.

DRIVING AND PARKING

The use of motor vehicles and bicycles for travel to and from school is an assumption of responsibility by parents and students. **Parking on or near school property is AT YOUR OWN RISK.** Student usage of school/district parking facilities is a privilege, not a right. Students are expected to comply with the procedures developed for usage of all transportation vehicles on and near Anacortes School District grounds and traveling to and from school sponsored events. Failure to comply may result in loss of parking privileges. **Parking lots are school district property and cars parked in the lots are subject to search by school administration.**

A student may use the school parking lot subject to the following conditions:

- An annual parking permit must be obtained from the ASB Office for the cost of \$5.00. A student can obtain the permit by providing copies of their valid driver's license; vehicle registration and proof of insurance. Cars parked in school lots without current, visible permits are subject to a ticket (incremental fine applies).
- The student is responsible for notifying security if they are using a different vehicle than registered.
- Students are responsible for parking in designated assigned areas. Parking in the following spaces: maintenance, handicap, staff, guest, fire lanes, east side of the gym or on sidewalks, grass is in violation of parking regulation and the vehicle will be ticketed. The upper parking lot is for seniors only. The lower 2 lots are for all students. Parking is on a first come, first serve basis.
- Access to student parking lots during class time is prohibited without permission. Students may not occupy a vehicle (without permission) during the school day.
- Only students with an Off Campus Lunch Pass or those who have checked out of school through Attendance may remove their vehicles from the designated parking areas during the day.
- Possession/use of alcoholic beverages, illegal substances, firearms or a dangerous weapon shall also extend to a student's vehicle.
- The student acknowledges that he/she will assume full responsibility for any comprehensive or collision claims that may occur while on school property.
- Students who do not operate their vehicle safely will lose driving/parking privileges on school grounds.
- Students in violation of parking regulations may be subjected to ticketing or towing. A student who does not conform to the above rules shall be subject to corrective discipline.
- Students understand that administration may search a student's vehicle when there are reasonable grounds to believe the search may yield evidence of the student's' violation of the law or school rules.

EIGHTEEN YEAR OLD STUDENTS

Only students who are 18 years of age or older who are self-supporting and independent may take responsibility for their own education. Administration will verify information prior to approval. All dependent 18 year old students need parent signatures and permission on all forms.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA) STATEMENT

The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement personnel); a person serving on the School Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. Upon request, the District discloses education records without consent to officials of another school district in which a student seeks or intends to enroll. If a parent or adult student does not wish, information such as student's name, address, telephone number, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and other similar information, to be released, they should advise the principal of their school.

LOCKERS

Each student may request a locker for the storage of books and equipment. To protect your possessions, keep your combination confidential and your locker locked at all times. Use only the locker assigned to you. Students are responsible for the condition of their assigned locker. Lockers are school district property and are subject to search by school administration if there are reasonable grounds that the search will yield evidence of a student's violation of the law or school rule. In addition, school administration may search all student lockers at any time without prior notice and without reasonable suspicion. (WAC 28A.600.220, 28A.600230)

LOST AND FOUND

Lost and found boxes are located in the hall by the cafeteria. If items are not claimed after one month, they will be donated.

TELEPHONES:

There is a student phone available in the main office.

TECHNOLOGY/USE OF NETWORKS

Students must comply with the district's "Grade 7-12 Student Technology Equipment Use Agreement" form 2022-F2. Students and families must also agree to follow the guidelines and expectations found in the Secondary Student and Parent Mobile Device Handbook. Failure to follow these expectations will result in consequences in accordance with state and school policies. If a family does not want publicly viewable (district website, social networking sites, news article) publishing of their student's work or images they need to fill out an opt out form found on the district website.

COUNSELING, GUIDANCE, AND ADVISORY

AHS Counselors are committed to helping all students become college and career ready. They are also trained and prepared to confidentially help with personal and social concerns.

Your counselor is looking forward to helping you:

- Stay on track for high school graduation and meet all state requirements
- Develop a *High School and Beyond Plan*
- Choose appropriate courses to meet your college and career goals
- Provide information on post-high school options, including college, military, work, and scholarships
- Assist with confidential concerns that impact personal and academic success

Counselors meet with students individually, and also in groups during Advisory and classroom lessons throughout the year. Students are welcome to stop by the Counseling Center anytime to schedule a time to meet with their counselor. Parents are also welcome to call the AHS Counseling Center with any questions or concerns.

ADVISORY

All students will participate in the AHS Advisory Program throughout high school. During Advisory, students will explore three guiding questions: *Who am I? Where am I going? How am I going to get there?* These questions will help students prepare for their Student Led Conferences and Senior Presentation.

HAWK TIME

Hawk Time is a designated class period once per week for the purpose of exploring career and college options, completing the High School and Beyond Plan, student leadership activities, and furthering a positive school climate and culture at Anacortes High School. Activities during this time may include ASB activities, assemblies, class meetings, school policy review, community building, surveys, and student-teacher conferences/work time. HAWK Time class sessions will be led by students' advisors with lessons prepared by the counselors and high school leadership team.

COMMENCEMENT CEREMONY

The Commencement ceremony is an opportunity for students, parents, relatives, and friends to celebrate a student's successful completion of Anacortes High School graduation requirements. Only students who are in good standing, and have fulfilled graduation requirements by the specified date in June, will be allowed to participate in the ceremony.

Participation in graduation is not a requirement for receiving a diploma. A student graduates when he/she has met all Washington and AHS requirements. Commencement is a celebration of meeting those requirements. Students who are unable to participate in the commencement ceremony will receive their diplomas through another means. Graduates must be cleared of all fines before receiving their diplomas.

At least one graduation practice is held near the time of the ceremony. All graduates are required to be in attendance at any/all graduation rehearsals that are held. Punctual attendance at all graduation practices is required. According to ASD policy, students who miss graduation practices may not participate in the commencement ceremony.

CREDITS FROM NON-AHS SCHOOL PROGRAMS

AHS will accept a limited number of credits earned in non-AHS settings, contingent upon the student receiving approval in advance from the AHS principal or designee. These include:

1. Correspondence Courses: Maximum 3.0 credits.
2. AHS Independent Study Courses: Maximum 2.0 credits.
3. Home school programs: Subject to principal review and approval.

EARLY GRADUATION

Students interested in graduating early from Anacortes High School with an AHS Diploma must demonstrate that they have met all graduation requirements. This process will involve several steps, including an initial meeting with counselor, a letter to the principal, an outline demonstrating that all requirements will be met, along with a valid reason for request. Early graduation plans must also demonstrate adherence to the school policies. Written requests must be submitted at least one semester in advance of the proposed departure date from AHS. (School District Policy 3123)

SCHEDULE CHANGES

Students who require a schedule change must sign up to speak with their counselor and turn in a completed schedule change request form with parent/guardian signature during the first 5 days of each semester. All students must follow the schedule given to them unless an official schedule change is made.

GRADING AND ACADEMIC PROGRESS

Anacortes High School issues a report of student progress every 45 days. Grades are issued for 90 school days and are recorded on the student's permanent record. A student may repeat a course to improve the grade earned. After completing the repeated course, the higher grade earned will be used to grant credit in the specific subject area and both grades will be included in the calculation of the student's GPA (WAC 392.415.055). Students who want to exclude the lower grade from both earned credit and GPA calculation must request this option by submitting a "Course Repeat Request" form available from the Counseling Center. *Note: The course grades will remain on the student's transcript, but credits earned will be changed to 0.0 and the grade will not affect GPA calculation.*

For the purpose of determining a student's GPA, the following scale is used:

A	4.0	C	2.0
A-	3.7	C-	1.7
B+	3.3	D+	1.3
B	3.0	D	1.0
B-	2.7	F	0.0
C+	2.3		

HONOR ROLL

Honor Roll: Students who receive at least a 3.0 GPA for a semester's courses are placed on that semester's honor roll. Grades for Running Start, NCTA and correspondence courses are included in the GPA calculation. Students are recognized at assemblies for their achievements (GPA of 3.0-3.49, 3.5-3.99, and 4.0).

STUDENT & FAMILY ACCESS

Students and parents may monitor the student's on-going academic progress via Student & Family Access. For student log-in information contact the Counseling Center. For family log-in information contact the main office.

TRANSCRIPTS

A record of a student's progress, academic record and a graduation requirement update is presented to the student each year. If all of the student's fines are cleared, a final transcript is mailed after graduation to the college or university that a graduate plans to attend.

TUTORING

English and math tutoring is available Monday through Thursday after school. A certificated teacher will be available for homework help. Teacher, counselors and/or administrators may require homework center for students needing additional assistance, who have missing assignments, and/or who are failing.

VALEDICTORIAN

Students with a 4.0 at the end of their 7th semester will be considered for class Valedictorian. Valedictorian status will be contingent upon satisfactory grades, satisfactory behavior, and satisfactory attendance during the 8th semester.

SAFETY/HEALTH

ACCIDENT/INJURY

1. Report the incident ASAP to the teacher in charge or nearest staff member.
2. If the incident requires immediate attention, contact or report it to the main office.
3. Students may be asked to fill out an incident report

EMERGENCY INFORMATION

- A. Fire/Earthquake/Lockdown Drills at regular intervals are required by law and are an important safety precaution. It is essential that when the first signal is given, everyone obeys orders promptly and when directed clears the building by the prescribed route as quickly as possible. When we evacuate to Rice Field students are to locate and remain with their advisory teacher.
- B. Emergency Conditions/Cancellations: Weather conditions may require a change in bus and school schedules or the cancellation of events. Notice will be given to local radio stations for such announcements, put on the district phone line and posted on our web <http://www.asd103.org>.
- C. Anyone turning in a false alarm is violating the law and subject to criminal charges.

****Parents are asked to not call schools during emergency situations and tie up phone lines.***

MEDICATION AT SCHOOL

Every effort should be made to assure that all medication, prescribed or unprescribed, be administered before and/or after school hours under the supervision of a parent/guardian:

If medication is to be given at school, the following procedures must be followed: *This procedure covers prescription and nonprescription medications given at school.*

1. An "Authorization for Administration of Oral Medication at School" form is to be completed for each medication. See school nurse for form, details and/or questions.
2. Parent/guardian **and** physician, through the form, will provide the District with a written request for the

- dispensing of medication during the school day.
3. The medication must be furnished in an original container from the pharmacy with the student's name, name of medication, and amount to be given. Non-prescription medication must be furnished in the original container from the manufacture.
 4. It should be indicated on the "Authorization for Administration of Oral Medication at School" form if a student is to self-medicate. This needs to be discussed on an individual basis with the school nurse.

Complete details of the procedure can be found in School Board Policy #3416. Any student found with medication who fails to complete the form and/or follow the Board Policy #3416 regarding medication may be subject to the school substance use policy.

ATTENDANCE

Attendance is absolutely critical to success in school. Furthermore, Anacortes High School considers regular attendance necessary for college and career readiness.

BECCA LAW AND UNEXCUSED ABSENCES

The attendance office, administrators, and counselors will ensure that Anacortes High School complies with the WA State truancy law, RCW 28A 225 (Becca Law). The law requires parents to ensure their students attend school and to provide valid justification to the school, within 48 hours, when their student is absent. WA State law (Becca) says that school districts must report any student with 7 or more unexcused absences during a one month period or 10 for a year. The law asks that courts take jurisdiction over students who do not attend school.

EXCUSED ABSENCES

Students are responsible for daily attendance in all classes. A student's guardian is responsible to inform the attendance office within 48 hours of the absence or the absence will remain unexcused, (360-503-1331). The following are valid reasons for excused absences:

- Illness
- Family emergency
- Medical or dental appointments
- Religious Holidays
- Pre-arranged family trips (such trips **must be approved prior** to the trip itself)
- Other situations deemed appropriate by the administration

EXCUSED ABSENCE LIMIT

If a student exceeds 10 excused absences in a school year, a **doctor's note may be required in order for further absences to be excused**. Without a doctor's note, all absences after 10 will be counted as unexcused absences and subject to the Becca Law and Truancy court (School Board Policy 3122).

ATTENDANCE NOTIFICATION

At one (1) unexcused absence in a calendar month, the school will notify the home (via a phone call). Continued absences, either excused or unexcused, will result in notification letters, phone calls, and/or conferences. At three (3) unexcused absences in a calendar month, the school will notify by letter and a conference will be scheduled. After five (5) unexcused absences the school district will schedule a Community Truancy Board with the student and their parent/guardian. After ten (10) unexcused absences the school district will schedule a second Community Truancy Board with the student and their parent/guardian. After the second Community Truancy Board, any additional unexcused absences will result in the school district filing a Truancy Petition asking the court to take action that will compel the student to attend school (Becca).

LEAVING SCHOOL EARLY

Leaving school for appointments or illness during the school day **requires that students sign out at the attendance office** before leaving. If students do not sign-out AND submit an excuse to leave, the absence will be considered unexcused.

MAKE-UP WORK AND HOMEWORK REQUESTS

Students have the right to make up work after an excused absence. It is the student's responsibility to get make-up assignments in a timely manner. **Teachers are not required to allow students to make up work for unexcused absences.**

Homework requests are available, with 24 hours notification, for students who will be absent for 3 or more days. Students and Parents are encouraged to e-mail or call teachers directly for homework requests for 1 or 2 days of absence.

OFF CAMPUS PASSES

Seniors and Juniors in good standing are eligible for Off-Campus Lunch Passes. Students must return the application with parent approval to be eligible. Once approved, students must carry their ASB card containing off-campus sticker with him/her whenever leaving campus during lunch, and must show it upon request of a staff member. Students forgetting their ASB card will be denied the privilege of leaving. This privilege may be revoked if the student develops significant attendance and/or discipline issues, including excessive tardiness.

SKIPPING/TRUANCY

Skipping is defined as missing one to three periods, as opposed to the whole day. Skipping class is disruptive and will result in progressive discipline.

TARDINESS

Tardies are disruptive to the classroom, will not be excused, and will be considered a discipline concern. When a student arrives after the bell but within the first 5 minutes of class, the student is considered to be tardy. If a student reaches three tardies the student will be written up by the teacher, which will be supported by the AHS discipline policy. Excessive tardiness is subject to consequences including, but not limited to, schedule change and/or reduction of school day.

TWENTY DAY WITHDRAWAL

Any student absent for 20 consecutive days must be deleted from school rolls (WAC 392.121.108). Parent/Guardian will be notified by mail.

STUDENT RIGHTS AND RESPONSIBILITIES:

Pursuant to School Board Policy #3240, students are expected to:

- A. Conform to reasonable standards of acceptable behavior;
- B. Respect the rights, person and property of others;
- C. Preserve the degree of order necessary for a positive climate for learning; and
- D. Submit to the authority of staff and respond accordingly.

The AHS administration and staff believe the purpose of the student discipline code is

- for a fair and consistent behavioral standard to be used;
- for students to learn from their mistakes;
- for students to develop an understanding of laws and policies;
- to provide and maintain a safe and effective learning environment for all AHS students: every day, in every class, and at every event;

At the request of our neighbors and at the encouragement of student council members and representatives of the community, AHS will be enforcing school rules not only on campus but also in areas around the campus.

ACADEMIC DISHONESTY

We believe students at AHS are responsible for their own work, created and intended for the particular class in which the student is enrolled and from which the assignment is given. Academic Dishonesty is defined as a student’s use of unauthorized assistance with intent to deceive the teacher who will be evaluating the student’s work. Examples of academic dishonesty include, but are not limited to, the following:

- **Cheating** involves the possession, communication, or use of information, materials, notes, study aids or other devices not authorized by the teacher.
- **Plagiarism** is the act of using another person’s words or ideas without giving credit to that person.
- **Complicity** involves knowingly contributing to another’s acts of academic dishonesty.

Students who have committed academic dishonesty will be subject to academic sanctions cumulative over four years of high school. The complete policy is at the end of this handbook.

CLASSROOM CONDUCT

Students are expected to follow directions of all staff members. Mutual respect between teachers and students is expected. Student conduct in class may not, under any circumstances, negatively impact instruction, or the rights of other students to learn. Disruptive/uncooperative students will be removed from class for a period of time until the problem is resolved. Repeated offenses will result in removal from class and loss of credit for the course. Teachers have the right/responsibility to teach; students have the responsibility to learn and to contribute in a positive manner to the class.

DISPLAY OF PHYSICAL AFFECTION

School is a work-site for students and staff. Therefore, inappropriate displays of physical affection are not acceptable and may contribute to a “hostile environment.” We ask for student cooperation and self-control in dealing with this issue. Multiple offenses may result in disciplinary measures.

DRESS AND APPEARANCE

The Anacortes School District along with parents/guardians and community are responsible for encouraging all students to develop habits of proper dress and grooming. These standards are based on respect for one another and the need to establish a safe, orderly, caring, and business-like learning environment.

1. Shoes must be worn at all times.
2. An appropriate coverage of the body is required. Spaghetti straps, halter tops, midriff baring, low-cut, sheer, or otherwise revealing tops are not allowed. Shirts are required. Students’ pants, shorts, and skirts should be worn to appropriately cover the body and undergarments -- skirts, shorts and dresses may not be shorter than fingertip length unless accompanied by opaque tights or leggings.
3. Clothing decorated or marked with illustrations, nudity, words or phrases which are vulgar, obscene, suggestive (including any reference to alcohol, tobacco and drugs), or promote behavior that is intimidating or threatening and/or which violates school conduct standards, is not allowed. This includes excessive chains, studs, or gang related apparel and accessories.
4. Sunglasses are not to be worn at school, unless medically necessary.
5. Hats and hoods can be a distraction in the classroom and may only be worn if approved by the classroom teacher.

Please Note: If a student is not following the dress code, he/she will be asked to cover, change or turn it inside out. Failing to cooperate will be viewed as defiance of authority and the student may be in-school suspended or sent home.

ELECTRONIC DEVICES

All personal electronic devices shall not be seen, heard or used during class time unless it is part of the instructional

activity and at the discretion of the teacher. Students that use these devices inappropriately will have them confiscated and turned in to the main office for the remainder of the day.

First offense: student pick-up in the main office at the end of the day

Second offense: parent pick-up

Repeat offenses: parent pick-up and/or confiscation for a period of time up to the remainder of the year, referral for defiance (including consequences), and parent conference.

EMERGENCY EXPULSION (REFERENCING BOARD POLICY #3241)

A student may be excluded from school prior to a hearing without other forms of corrective action if the principal reasonably believes the student is an immediate and continuing danger to himself/herself, other students, staff, or administrators, or is a substantial disruption to the educational process of the district. Such emergency expulsion shall continue until the student is reinstated or until a fair hearing is held and a final determination reached. The hearing officer may continue the emergency expulsion if he/she finds that the student continues to present an immediate and continuing danger to himself/herself, other students, staff, or administrators, or continues to cause a substantial disruption to the educational process of the district.

FIGHTING OR ASSAULT

Students who physically assault one another will be suspended or expelled, depending on the nature of the defense. This applies to you whether you hit first or hit back. We will solve problems and end conflicts with our minds not our fists. If someone strikes out at you, YOU are expected to first block then leave the scene, then report directly to an adult for intervention. Altercations that occur off campus and/or not during school hours still may cause disruption to the educational environment which then may be cause for action by AHS Administration.

GRIEVANCE POLICY (REFERENCING BOARD POLICY #3241)

Pursuant to School Board Policy #3241: Any parent or student has the right to an informal conference with the principal for the purpose of resolving a grievance and/or appealing a suspension. After exhausting this remedy, the parent and student have the right to continue to appeal the grievance/suspension at the district level by contacting the district hearing officer, Cynthia Simonsen, at 360-293-1200 or csimonsen@asd103.org. Request for a hearing regarding anything up to and including short term suspensions must be made within two school business days; long term suspensions and expulsions, require a written request for a hearing, which needs to be submitted to the District Hearing Officer within three school business days after the notice is received.

HALL PASSES

Students must request and receive a hall pass when leaving assigned classrooms during class time. Passes must be shown when requested by a school staff member. Students found in the hallway during class without a hall pass will be viewed as truant.

HARASSMENT/INTIMIDATION/BULLYING (HIB)

Anacortes High School emphasizes mutual respect and seeks to eliminate prejudice, bigotry and discrimination in subtle or overt forms. Behavior that creates a hostile environment or discriminates is not acceptable. Pursuant to School Board Policy #3207: HIB means any intentional written, electronic, verbal, or physical act shown to be motivated by race, color, religion, ancestry, national origin, gender, sexual orientation, mental or physical disability, or any other distinguishing characteristics (RCW 9A.36.080[3]). HIB occurs when the intentional written, electronic, verbal, or physical act:

- Physically harms a student or damages the student's property; or
- Has the effect of substantially interfering with a student's education; or
- Is so severe, persistent, or pervasive that it creates an intimidating or threatening educational environment; or
- Has the effect of substantially disrupting the orderly operation of school.

These behaviors degrade and/or endanger students and disrupt the educational process. Statements or acts, such as, but not limited to slurs, rumors, jokes, innuendos, demeaning comments, drawings, cartoons, pranks, gestures, physical

attacks, threats, extortion, hazing (initiations), electronic communication (facebook, email, instant messaging, etc.), or other written, oral or physical actions directed at others could cause them to be fearful of their personal well being.

These acts may be met with disciplinary measures up to and including expulsion and/or law enforcement referral. Furthermore, any acts that occur off campus and/or not during school hours and cause substantial disruption to the educational environment may be met with discipline measures as well.

NONDISCRIMINATION PROCEDURES

Pursuant to School Board Policy #3210-P, Students, and/or parents, staff or other individuals acting on behalf of students of the district are eligible to participate in a complaint procedure. The complaint procedure is designed to assure that the resolution of real or alleged violations shall be directed toward a just solution that is satisfactory to the complainant, administration and the board of directors. The primary purpose of this procedure is to secure an equitable solution to a justifiable complaint. To this end, specific steps shall be taken. See School Board Policy #3210-P for specific steps.

PROGRESSIVE DISCIPLINE

Student discipline is progressive and cumulative throughout the school year. AHS administration will generally allow for a “clean start” to each school year. However, records will be kept for the student’s entire high school career. This means that discipline may be more severe for each time there is a repeat offense, including offenses that occurred in years past, particularly exceptional misconduct cases. Long term suspension or expulsion will be considered for students who engage in two or more violations within a three-year period as defined in RCW 28A.600.020.

RESTITUTION SERVICE

At the discretion of AHS administrators, restitution service may be an option used as a discipline sanction or to reduce short term suspensions. The following will be used as a guideline: each day forgiven a student must work eight hours without pay. Most of the restitution service would be performed on or around school grounds with staff supervision. For work agreed to off-site, the student will be required to provide a name and phone number of the supervisor so that hours and duties can be verified. The guidelines for conversion to restitution service are:

3 day suspension: 1 day may be forgiven or 5 day suspension: 2 days may be forgiven

AHS administrators are under no obligation to grant restitution service to students. In every case where restitution service is used, a contract will be signed and agreed to by the administrator, the student, and the student’s custodial parent.

SKATEBOARDS/ LONG BOARDS

The use of skateboards/long boards and skates is prohibited on campus, 24 hours per day, 7 days per week. Skateboards and skates brought to school must be appropriately stowed, stored in lockers or checked in to the Main Office, and may be retrieved at the end of the school day. Skateboards not stowed, stored, or checked in will be subject to confiscation by staff.

SUBSTANCE USE POLICY

AHS has a zero tolerance policy regarding the use, possession, and/or sale of alcohol, other drugs or drug paraphernalia **on or near the campus** and at school sponsored events. Students found to be violating the substance use policy on school district property, across the street or down the alley from the school are subject to discipline.

This includes:

- Any controlled substance as defined by WA state statute (RCW 69.50)
- Any drug not properly labeled for use by the person in possession of the drug (including vitamins or over the counter medication). See **Medication at School** for proper permission procedures.
- Any “look alike” drug or substance believed or represented as being a drug or controlled substance.
- Alcohol or other intoxicant of any kind.
- Possession of drug paraphernalia (including E-devices, vaporizers, etc.)

First Offense: Student will be suspended (minimum of 3 maximum of 20 days); length of suspension will be

determined based on an administrative investigation. Suspensions may be reduced to a short term suspension (less than 10 days) if the student **(1)** obtains a UA within 48 hours of the suspension; **(2)** schedules and completes a drug/alcohol assessment with a licensed provider and the results of the UA and assessment are given to a school administrator; **(3)** attends a re-entry meeting (parent/guardian attendance also required); and, **(4)** complies with the follow-up recommendations from the drug/alcohol assessment provider. Once a student has returned to school, if at any time he/she fails to follow the assessment recommendation, the suspension may be reinstated with the possibility of loss of credit (School Policy 3240P).

Second Offense: Progressive Discipline from the Anacortes School District

SUBSTANCE USE SUPPORT AND SERVICES

Chemical dependency and substance abuse treatment services are available with Catholic Community Services for the 2017-2018 school year. Services include onsite one on one counseling, small group support, and family treatment for students struggling with substance use and abuse.

TOBACCO POLICY

Possession or use of any tobacco products is prohibited on or within sight of school district property. This shall include district buildings, grounds, etc. For example, students found to be smoking across the street or down the alley from the school are subject to school discipline.

First offense: 1 day suspension

Second offense: 3 day suspension

Repeat offenses: Progressive discipline that may include long term suspension

WATER GUNS, PETS, LASER POINTERS, PAINTBALL, ETC.

Water guns, water balloons, pets, laser pointers, silly string, and other similar disruptive items are not permitted on school grounds at any time. Such items will be confiscated. Pets must be taken away immediately. Students refusing to comply will be subject to the school discipline code and mischief charges with law enforcement.

WEAPONS

State law and school district policy prohibits any student from possessing a weapon or weapon look-alike on school district property or at any school related event. Violating this policy will result in immediate referral to legal authorities, parent notification, and emergency expulsion from school. Mace/Pepper Spray are considered weapons and the use and/or possession is prohibited. The expulsion terms may be modified by District Superintendent or designee.

The academic, moral, physical and healthful aspects of a well-run athletic/activity program are of unquestionable value to the participants. *It is a privilege to participate.* The highest possible standard of conduct and training are required by those who participate in the Anacortes School District programs.

3. PERIOD OF COVERAGE

Upon initial participation of high school athletics and activities, the code will apply through graduation whether the student participates in one sport/activity or many. There will be no time during the year designated as off-season. *This includes middle school students playing high school athletics in the summer time.*

4. THIS CODE IS CUMULATIVE

The code is based upon the concept of progressive discipline throughout a student's high school experience. This means disciplinary action will be more severe for the second and third offenses. It also means incidents resulting in disciplinary action will accumulate over a student's high school career.

5. ACADEMIC STANDARDS

To run for a class or ASB office and to remain academically eligible to participate in a school sanctioned extracurricular athletic and/or activity program, a participant must meet the following minimum criteria **in the semester prior** to when the activity commences. *The final spring grades (Semester 2) will determine initial fall and winter academic eligibility. The final winter grades (Semester 1) will determine initial spring eligibility.*

- The student must be passing all classes (NO F's).
 - (1) F - Academically ineligible for three weeks. At the beginning of the fourth week the student will start weekly grade checks to determine eligibility for each week.
 - (2) or more F's – Academically ineligible for five weeks.
 - Ineligibility refers to competition. Participants are still expected to attend and participate in practices. Attendance at competitions is up to coach's discretion.
 - Athletes may not drop or withdraw from a class in order to remain eligible.
 - A five-week grade check will be done for all participants to determine their eligibility status for the remainder of the season. The five weeks is determined in the fall season from the first day of school, and for the winter and spring seasons from the first day of practice. Participants must be passing all classes (NO F's). If a participant does not meet these standards, they will be academically ineligible for one week. At the beginning of the first week, the student will start weekly grade checks to determine eligibility for the upcoming week. Any student who passes the second grade check who was on academic probation from the initial grade check will be removed from weekly grade checks.
 - **Winter students will be grade checked for a third time at the end of first semester.
 - WIAA standards are as follows: In order to maintain athletic eligibility during the current semester, the student shall maintain passing grades in a minimum of 5 classes in a six period schedule. If you are not passing 5 classes you will be placed on WIAA ineligible status for the first five (5) weeks of the grading period for that season. This is not negotiable.

An incomplete is treated as an F for purposes of eligibility. Participants remain ineligible until the incomplete is satisfied or a new eligibility period is reached and courses have been successfully completed.

6. ATTENDANCE REQUIREMENTS

Students must attend all class periods in which they are enrolled, in order to participate in that day's practice, game, show, contest and/or competition. The only reasons for an absence to be excused by administration would include: 1.) Medical appointment, 2.) Family emergency or 3.) ANACORTES HIGH SCHOOL
ACADEMIC DISHONESTY POLICY
2017-2018

We believe students at AHS are responsible for their own work, created and intended for the particular class in which the student is enrolled and from which the assignment is given. Academic Dishonesty is defined as a student's use of unauthorized assistance with intent to deceive the teacher who will be evaluating the student's work. Examples of academic dishonesty include, but are not limited to, the following:

- **Cheating** involves the possession, communication, or use of information, materials, notes, study aids or other devices not authorized by the teacher.
- **Plagiarism** is the act of using another person's words or ideas without giving credit to that person.
- **Complicity** involves knowingly contributing to another's acts of academic dishonesty.

Students who have committed academic dishonesty will be subject to academic sanctions cumulative over four years of high school.

First Offense: The infraction will be documented online in Skyward as a warning. The student will receive no credit on the assignment. Teachers and/or departments may have additional consequences and requirements. An administrator will meet with the student and a parent conference may be requested.

Second Offense: The infraction will be documented online in Skyward as Forgery/Cheating/Plagiarism and will result in other disciplinary actions. The student will receive no credit on the assignment. The Counseling Department will likely report the offense to college admissions. Teachers and/or departments may have additional consequences and requirements. A parent conference will be required.

Third Offense: Additional *corrective exceptional misconduct* actions may apply, as well as short or long term suspension, denial of credit, and removal from the course with a failing grade. This will automatically result in the Counseling Department reporting the academic misconduct to college admissions, when requested.

I understand the Academic Dishonesty Policy and am aware of possible disciplinary actions
